

ABC BASSET HOUND RESCUE

MEMORIAL SERVICE

Friday Evening May 30th
Sullivan Park

Starting this year ABC is adding a **Memorial Service** to its waddle weekend to honor our past long-eared friends who are at the Rainbow Bridge waiting for us. In addition, we are also recognizing our ABC supporters/volunteers who have passed on.

Please provide us with the names of supporters and Basset Hounds who you would like us to recognize at this years ceremony. Due to this being our first Memorial Service, we will be accepting condolences as far back as 2001.

Note: Recognition will begin from present to past. All names may not be mentioned this year, depending on how many responses are received. However, these names will be recognized the following year.
